

# wayne state university PLANETARIUM

The **Wayne State University Planetarium**, located on the lower level of the historic Old Main building, provides an intimate setting for our state-of-the-art fulldome digital theater.

Visitors of all ages have explored the universe in our planetarium and have been inspired by the beauty and vastness of the cosmos.

## **We welcome and present planetarium shows for:**

- K-12 School groups
- Math & Science Centers
- The WSU community of students, faculty, and staff
- Special interest groups and community organizations
- The general public

***Explore, Discover, Be Inspired***
